Govt. Kavyopadhyay Hiralal College Abhanpur

## Principal Messge

**Dr. Pradeep Kumar Shukla**  
Principal

Our college is privileged to serve the rural population consisting of SC and OBC section of the society with the majority of female students. Our College is now more than 25 years old. With the shifting in new building and construction of additional classrooms, laboratory and seminar hall as well as boundary wall around its campus, now it has started taking a good academic shape. However, we still have miles to go to provide high quality education. We need more teaching and non-teaching staffs. We cherish to add new courses in future, both at P.G. level and ad on courses.

Message for the youth-

- (i) Be disciplined
- (ii) Be focused
- (iii) Never forget academic goal
- (iv) Keep your campus clean

Principal....  
Dr. Pradeep Kumar Shukla
